PADEL TOURNAMENT RULES

1. TOURNAMENT FORMAT

- Players will be divided into groups, and a round-robin format will be played within each group — meaning all players will play with and against all players within their group.
- Each player will accumulate points for matches won.
- After all group matches are completed, the top four (4) players (based on total points, and if necessary, sets or games difference) will advance to the Final Round-Robin.
- The Final Round-Robin will again follow the same "play with and against each other" format to determine the overall champion.

2. MATCH FORMAT

All round robin matches will be played using the FAST4 format:

- Best of two short sets (first to 4 games).
- Tie-break (first to 7 points, win by 2) will be played at 3 games all.
- If sets are tied at one set all, a Match Tie-Break (first to 10 points, win by 2) will decide the winner. This will be counted as the third set.
- When the score reaches deuce, the receiving team chooses the side for the deciding point. The team that wins that point wins the game.
- No-Ad Scoring applies in all matches

THE TOURNAMENT DIRECTOR RESERVES THE RIGHT TO ADAPT ALL MATCH PLAY AND FORMATS DUE TO TIMINGS, WEATHER OR ANY OTHER UNFORESEEN CIRCUMSTANCE

3. CODE OF CONDUCT

- Players must show respect for opponents, officials, and facilities at all times.
- Unsportsmanlike behaviour, racket abuse, or verbal abuse may result in point penalties or disqualification at the discretion of the Tournament Director
- The Tournament Director's decision is final on all matters not covered by these rules.

GOOD LUCK!
